The Bordeaux Wine Competition is opening registrations for tasters starting Monday, March 23, 2026. Wine industry professionals and knowledgeable enthusiasts are invited to join the juries of this flagship event, which will take place on Saturday, April 25 at the Palais des Congrès of Bordeaux.

A must-attend event

For **70 years**, the Bordeaux Wine Competition has established itself as a **benchmark in promoting wines from Bordeaux and the Nouvelle-Aquitaine region**. Organized by the **Gironde Chamber of Agriculture**, it rewards several hundred wines each year, reflecting the **richness and diversity of regional production**.

The 2026 edition holds special significance as it celebrates the competition's **70th anniversary**—an opportunity to combine **professional excellence with conviviality and a festive spirit**.

A key role serving the wine sector

Being a juror means **playing a decisive role in recognizing both the quality of the wines and the work of the producers**. Oenologists, sommelières, wine merchants, brokers, and experienced tasters all contribute to awarding medals that have become **true markers of quality in both French and international markets**.

At a time when the wine sector is facing significant challenges, the competition actively supports collective momentum and helps strengthen the **reputation of Bordeaux and Nouvelle-Aquitaine wines**.
